BRONX

Bronx is the gargoyles' pet beast. Some pet! He's as big as a buffalo, has claws not to be messed with and can scale tall buildings before you can say, "Sit!" Unlike the other gargoyles, Bronx can't talk – but he gets himself noticed, all the same. And pigeons beware – Bronx *hates* pigeons.

Great Gargoyle Hunt!

Action stations! Bronx has wandered off. He followed the other gargoyles and he's now watching the action from dizzy heights. Turn over the poster and see if you can find him on the other side. But Bronx isn't the only one hiding – you've also got to find seven ninjas, five Steel Clan robots and a helicopter. Even Xanatos is hiding there somewhere. So keep alert – you're on patrol...

BROOKLYN

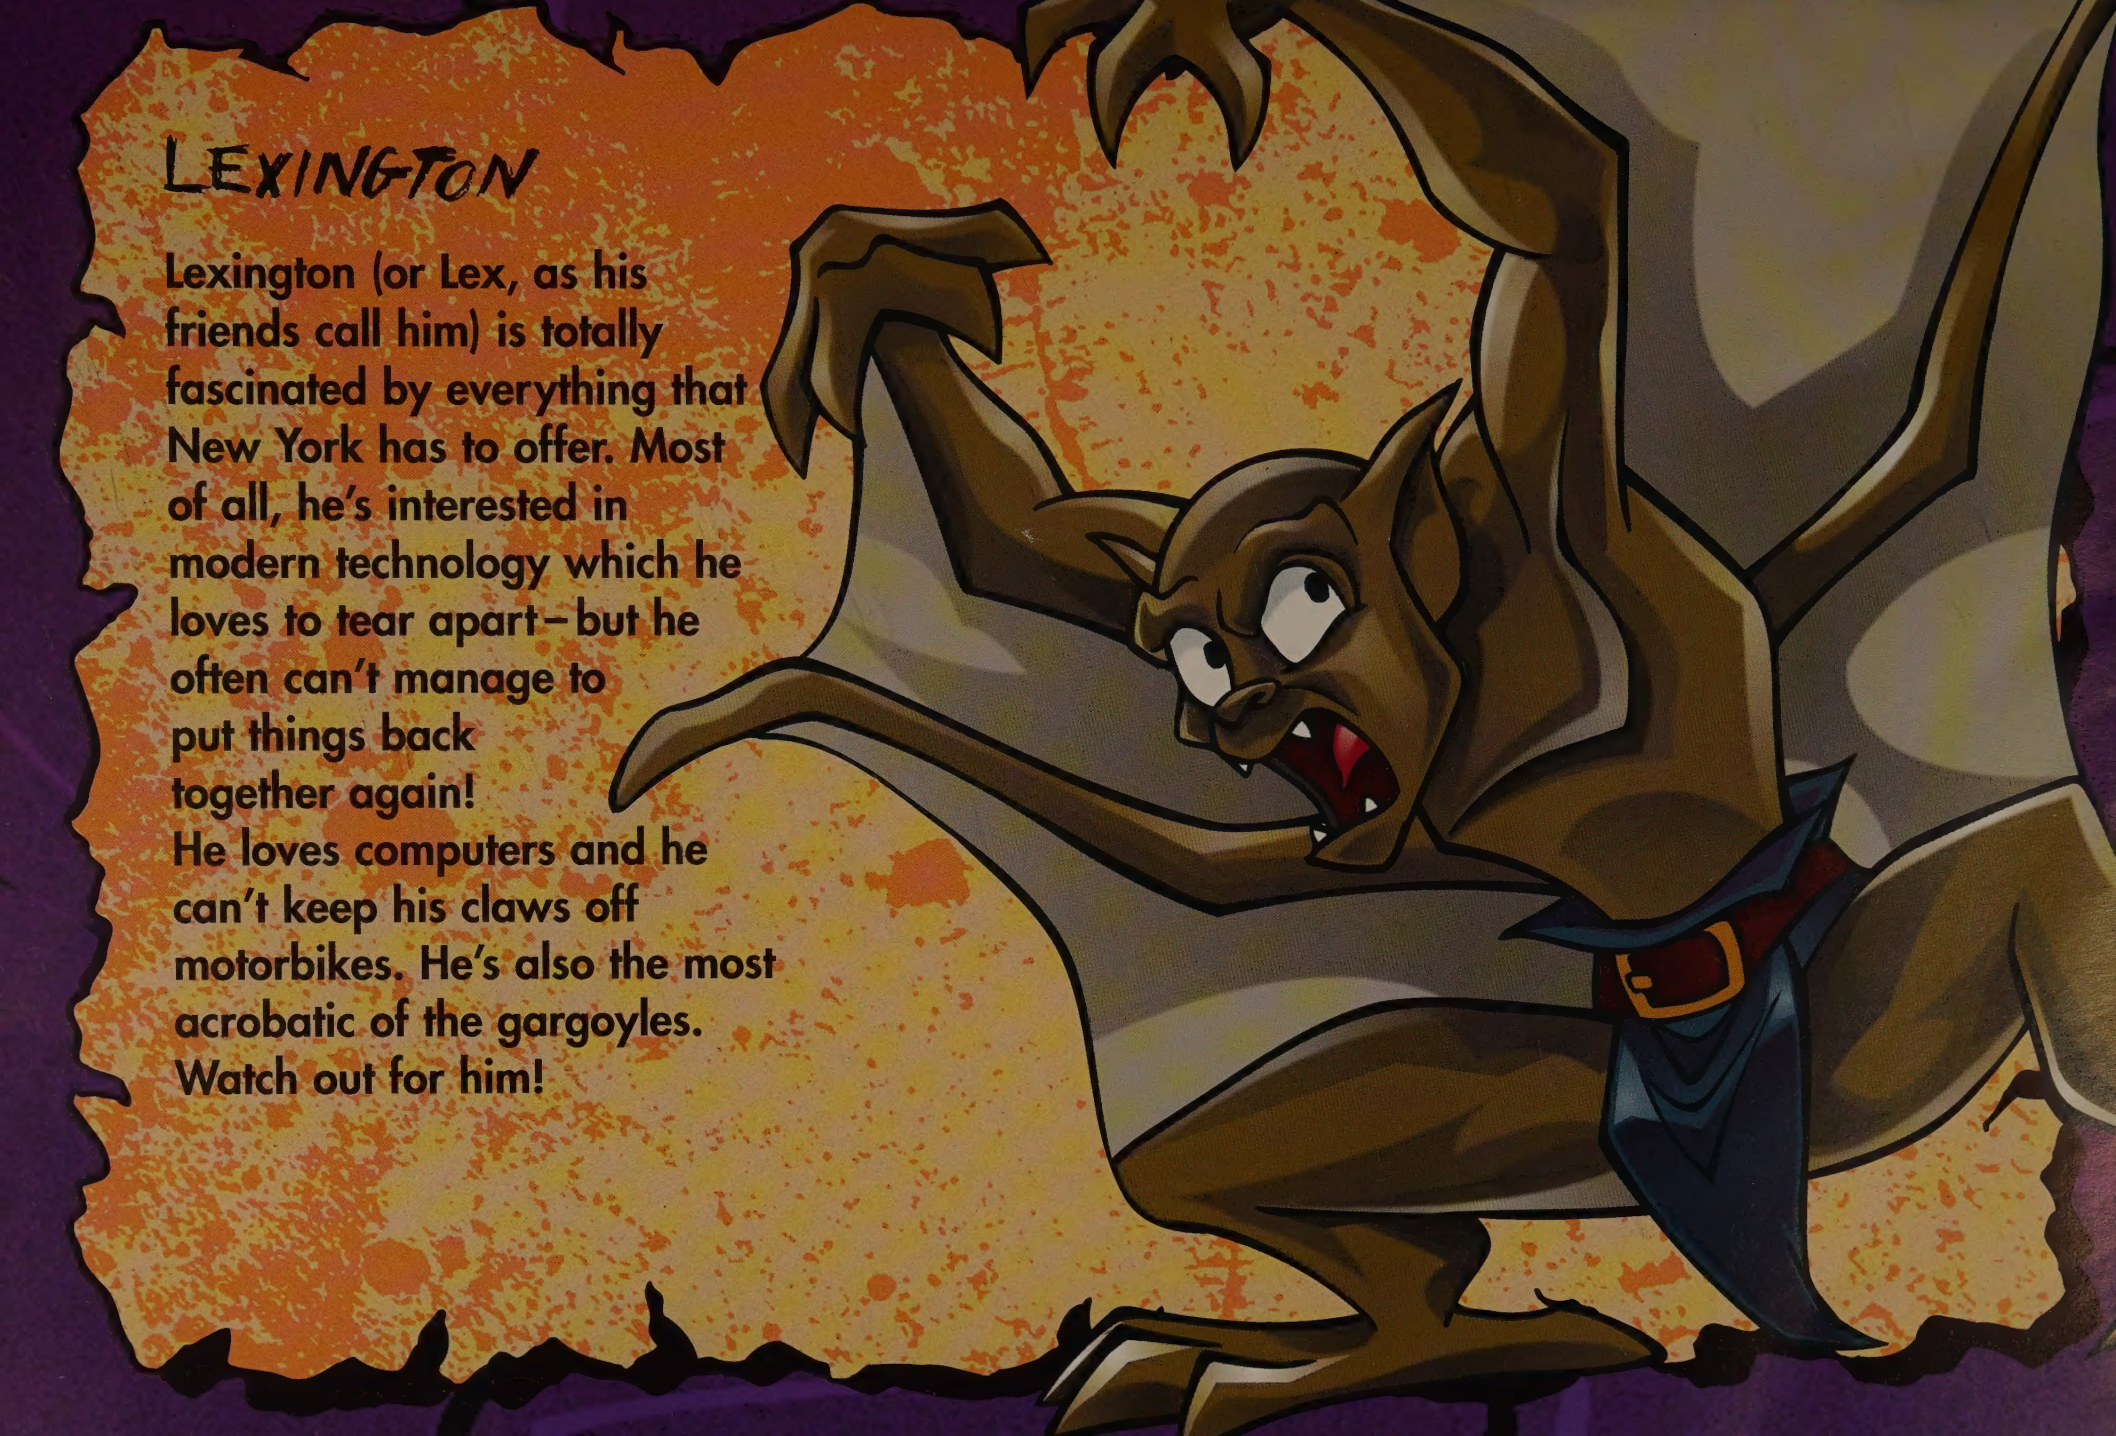
Brooklyn is one of life's dreamers and he secretly longs to be a leader like Goliath. Brooklyn is smart and very determined – both Lexington and Broadway look to him for advice.

But if there's trouble around, Brooklyn will find it! He loves excitement, adventure and battle. And he loves everything about his new life, especially his sunglasses!

GARGOYLES

HUDSON

Hudson is the oldest of the gargoyles and he was once their leader, until he let Goliath take over. Now, Hudson is Goliath's best friend and adviser. Because he's the oldest, Hudson found it difficult to adapt to New York life. But he's more settled now, and all he wants from his new home is an old television set and a comfy armchair in which to sit and watch it!



LEXINGTON

Lexington (or Lex, as his friends call him) is totally fascinated by everything that New York has to offer. Most of all, he's interested in modern technology which he loves to tear apart – but he often can't manage to put things back together again!
He loves computers and he can't keep his claws off motorbikes. He's also the most acrobatic of the gargoyles. Watch out for him!

BROADWAY

Broadway loves food – except pizza! He's *always* hungry and he's amazed and excited by all the different kinds of food available in New York. Broadway is also a bit of a slob but he's brave and strong, with a heart of gold. And he's *very* protective of Elisa.

ELISA MAZA

Elisa is a plain clothes detective working the night shift. She's half Sioux, half African-American, and one hundred per cent New Yorker. She offers Goliath friendship and understanding and by doing so rekindles his dream that one day humans and gargoyles will live in harmony. In fact, Goliath would be her perfect man, if only he weren't a gargoyle!

XANATOS
David Xanatos is very rich, very powerful and very proud. It was Xanatos who brought the gargoyles to New York and lifted the thousand year curse from them. However, much to his disappointment, he cannot buy the gargoyles' loyalty – they know he's up to no good – and so Xanatos is out to destroy them! This man is not to be trusted!

DYLES
DEMONA
Demona and Goliath once loved one another but now she is his deadliest enemy. Although her actions destroyed their clan, she still blames Goliath. Demona hates humans and she hates Goliath for trusting them. In battle, she is a force to be reckoned with, so keep a sharp eye out for her!

GARGOYLES

Meet the Gargoyles – they have claws, wings, very sharp teeth and are incredibly strong. Lex is acrobatic, Broadway loves food and Bronx is... well, Bronx! Find out more about these new heroes of the night, test your wits with the 'Great Gargoyle Hunt' and then decorate your room with this amazing poster!

However, before you join our fantastic winged creatures, ask an adult to help remove the poster because staples can be dangerous. If you don't, you're in big trouble with Goliath!
